

# 2017 SOUTH SUDAN HUMANITARIAN RESPONSE PLAN

## STRATEGIC OBJECTIVE 1

Save lives and alleviate the suffering of those most in need of assistance and protection

## STRATEGIC OBJECTIVE 2

Protect the rights and uphold the dignity of the most vulnerable

## STRATEGIC OBJECTIVE 2

Support at-risk communities to sustain their capacity to cope with significant threats

## CLUSTER OBJECTIVES AND INDICATORS

Camp Coordination and Camp Management

Education

Emergency Shelter and Non-Food Items

Food Security and Livelihoods

Health

Nutrition

Protection

Water, Sanitation & Hygiene

Coordination and Common Services

Logistics

Refugee Response Plan

## CAMP COORDINATION AND CAMP MANAGEMENT

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Improve living standards and strengthen accountable service delivery for IDPs in camps and camp-like settings.</b>	SO1 & 2	<p>% of complaints and feedback received through information desks or feedback mechanisms responded to [Target = 50%]</p> <p>% of managed sites that meet or show improvement towards meeting minimum standards (standards identified locally) [Target = 60%]</p> <p>% of POC sites assessed through consultations with affected population on GBV Risk Factors in the site [Target = 100%]</p> <p>% of displacement sites where sex and age disaggregated data including vulnerabilities is regularly collected and shared with partners [Target = 100%]</p> <p>% of CCCM staff who participated in training on the GBV guidelines [Target = 100%]</p>	395,498	245,168
<b>2. Support information-based decision-making by affected populations and humanitarian responders.</b>	SO1 & 3	<p># of individuals reached by registration and other information management mechanisms [Target = 630,618]</p> <p>% of IDPs in target locations with access to information about CCCM activities and humanitarian activities [Target = 50%]</p>	630,618	630,618
<b>3. Equip humanitarians, local actors, and authorities with the tools and knowledge to apply CCCM concepts and best practices.</b>	SO3	<p># of actors with active engagement in CCCM Cluster activities [Target = 10]</p> <p>% of people trained (community leaders, humanitarian agency staff, Camp Management staff, local actors, local authorities) that demonstrate an increase in knowledge following the training [Target = 60%]</p>	395,498 395,498	395,498 395,498

## EDUCATION

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Crisis affected girls and boys (3-18 yrs) have access to safe, healing and inclusive learning spaces.</b>	SO1	<p># of crisis affected girls and boys (3-18) with access to repaired classrooms.</p> <p># of children benefitting from temporary classrooms established according to the South Sudan Minimum Standards for Education in Emergencies.</p> <p># of crisis-affected girls and boys (3-18) benefitting from distributed learning materials.</p> <p># of adolescence girls provided with menstrual hygiene management facilities and supplies.</p>	610,012 (boys and youth; 563,088 girls and young woman) in IDPs and host communities	510,300 (335,507 boys and youth; 253,390 girls and young woman) in IDPs and host communities
<b>2. Cognitive skills of crisis-affected children (3-18 yrs) are strengthened.</b>	SO3	<p># of teachers (formal and volunteer) trained in healing, age-appropriate and child-friendly methods.</p> <p># of PTA/SMC trained in planning activities.</p> <p># of crisis affected girls and boys (aged 3-5) benefitting from Early Childhood Development (ECD) kits</p>	<p>5,700 teachers and learning facilitators and SMCs</p> <p>1,173,100 children (boys and girls), and youth (boys and girls) benefitting from child friendly methods</p> <p>4,800 PTA/SMC attending training</p>	510,300 (335,507 boys and youth; 253,390 girls and young woman) in IDPs and host communities
<b>3. Risks to crisis-affected girls and boys (3-18 yrs) are reduced.</b>	SO3	<p># of teachers, PTA/SMC trained in life-saving education.</p> <p># of PTA/SMC actively participating in education support groups.</p> <p># of crisis-affected girls and boys (3-18) with access to recreational materials.</p> <p># of children and youth facilitated through referral pathways for protection, nutrition and health.</p>	<p>5,700 teachers and learning facilitators and SMCs</p> <p>1,173,100 children (boys and girls), and youth (boys and girls)</p>	510,300 (335,507 boys and youth; 253,390 girls and young woman) in IDPs and host communities

## EMERGENCY SHELTER AND NON-FOOD ITEMS

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Provide life-saving non-food items and emergency shelter to newly displaced population in most need of assistance and protection.</b>	SO1 & 2	Newly displaced population served with emergency shelter and/or NFI assistance.  Percentage of newly displaced population served reporting that shelter and/or NFI provision addressed their life saving needs.	450,000  N/A	432,400  75%
<b>2. Improve the living conditions of protracted IDPs in PoCs, formal IDP camps, collective centres and host communities.</b>	SO 2	Protracted IDPs and host community served with shelter reinforcement kits and/or supplementary NFI assistance.  Percentage of Protracted IDPs and host community served reporting that shelter and/or NFI provision addressed their life saving needs.	1,064,519  N/A	511,989  75%
<b>3. Explore sustainable and cost-effective interventions to support the cohesion of vulnerable and at-risk communities.</b>	SO3	Vulnerable population that will receive support to bolster coping capacities.  Vulnerable population that will receive shelter and/or NFI services through more cost-effective and sustainable approached.	N/A  50,000	30,000  50,000

## FOOD SECURITY AND LIVELIHOODS

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Secure safe and life-saving access to food for the most vulnerable.</b>	SO1	# of beneficiaries receiving food, non-food items, cash transfers and vouchers as percentage of planned.  # of market system actors involved in emergency response.  Quantity of food/value of cash/voucher received by beneficiary HH (and proportion in relation to food basket).  Quantity of food assistance distributed, as percentage of planned.  Total value of cash or vouchers for food and basic needs distributed, as percentage of planned.	5.2 million	3 million
<b>2. Protect and promote livelihoods to enhance coping mechanisms and improve access to food.</b>	SO2	# of people trained as percentage of planned (e.g. best nutrition practice or land conservation etc.).  Total value of cash and vouchers for livelihood recovery distributed to targeted beneficiaries as percentage of planned.  # assets built, restored or maintained to targeted beneficiaries, by type and unit of measure (e.g. hectares of land where conservation activities were implemented, length and type of irrigation systems restored, hectares recovered for farming).  # beneficiaries receiving agricultural inputs as percentage of planned beneficiaries.	5.2 million	4.5 million

## HEALTH

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	BASELINE	TARGET	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Improve access to essential health care for conflict-affected and vulnerable populations.</b>	SO1	% decrease in U5 Death Rate (IDPs in PoC).	0.45 per 10,000	0.45 per 10,000	74,687	74,687
		% increase in health facilities providing Basic Emergency Obstetric and Newborn Care (BeMONC) services.	11%	16%	N/A	N/A
		# of HIV positive pregnant women receiving ARV treatment in IDP within POC and informal settings.	N/A	1,208	1,208	1,208
		# of children under 5 with severe acute malnutrition with medical complications, who are clinically managed in stabilization centers.	2,706	2,706	2706	2706
		# of people reached through the distribution of Interagency Emergency Health kits.	1,944,594	2.7 M	5.07 M	2.7M
<b>2. Prevent, detect and respond to epidemic prone disease outbreaks in conflict affected and vulnerable states.</b>	SO1	% of epidemic prone disease alerts verified and responded to within 48 hours.	60%	90%	N/A	N/A
		# of high risk counties supplied with outbreak investigation and response kits.	30	30	N/A	N/A
		# of high risk counties with trained disease surveillance staff.	120	120	791,870	791,870
		# of children reached with emergency measles immunization.	483,303	568,253	1,065,727	568,253
<b>3. Essential clinical health services are inclusive and implemented with dignity targeting specific needs of vulnerable populations (women and adolescents).</b>	SO2	# of health facilities providing GBV services.	14	20	N/A	N/A
		# of rape survivors who receive appropriate post rape treatment at Health facility including emergency contraceptive pills, PEP, and STI presumptive treatment within 72 hours.	120	240		
<b>4. Improve access to psychosocial support and mental health services for vulnerable people.</b>	SO3	# of health personnel trained on MHPSS in IDP settings.	11	24	355,654	355,654
		# of health facilities providing MHPSS in IDP settings.	25	30	N/A	N/A
		# of GBV survivors receiving MHPSS services.	120	240		
		# of crisis-affected persons with mild-to-moderate mental disorders receiving MHPSS in PoCs	800	67,943	424,638	67,943

## NUTRITION

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Deliver quality life-saving management of acute malnutrition for the most vulnerable and at risk.</b>	SO1 & 2	% SAM Cured, death rate, defaulter rate.	273,624	205,218
		% MAM Cured, death rate, defaulter rate.	835,348	501,209
		# SAM and MAM cases admitted/ month.	1,448,025	909,859
<b>2. Increased access to integrated programmes preventing under-nutrition.</b>	SO1 & 2	# <sup>1</sup> of under-five children enrolled in BSFP in targeted locations/ counties.	1,453,081	435,924
		# of PLWs counselled on IYCF key messages.	962,285	577,371
		# of PLWs enrolled in BSFP in targeted locations.	592,916	118,583

1 Consider % of counties with GAM levels above emergency threshold levels in locations targeted for BSFP among <5s

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>3. Ensure enhanced needs analysis of nutrition situation and enhanced monitoring and coordination of response.</b>	SO1 & 2	# of surveys conducted in prioritized areas with GAM and SAM below or above emergency thresholds reported to the cluster and stakeholders.  # surveys conducted in prioritized CMR and U5MR below or above emergency thresholds and reported to stakeholders.  # nutrition sites providing both OTP and TSFP.	60 surveys  60 surveys  67%	48 surveys  5 surveys  90%
<b>4. Increase access to integrated nutrition, FSL, health and WASH responses in counties with critical levels of acute malnutrition.</b>	SO1 & 3	% of new admissions in OTP/TSFP screened for Malaria.  # of nutrition sites with safe water.	205,218  625	102,609  625

## PROTECTION

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Prevention-oriented programming is implemented in counties that are heavily affected by conflict or displacement, and communities are assisted to maintain their coping capacities.</b>	SO2 & 3	# of prevention-oriented interventions <sup>2</sup> undertaken by protection partners.  % of targeted counties with community protection mechanisms that are supported or established by protection partners.	7.90 million people across 58 counties	3.07 million people across 53 counties
<b>2. Quality protection response services are available and can be accessed safely and freely.</b>	SO1	% of targeted counties with a protection partner providing or facilitating response services.  % of targeted caseloads <sup>3</sup> who have benefitted from protection services.  # of individuals supported to uphold technical protection guidelines or standards.	7.90 million people across 58 counties	3.07 million people across 53 counties
<b>3. Individuals are supported to achieve solutions and freedom of movement, and the coping strategies and protection capacities of communities and local actors are strengthened.</b>	SO2	% of HRP activities that are implemented outside the PoC.  # of reported deliberate impediments or threats to people's right to freedom of movement.	7.90 million people across 58 counties	3.07 million people across 53 counties

<sup>2</sup> This can include protection by presence, risk education and risk reduction messaging (including small arms safety), survey/clearance of explosive hazards, early warning/response programs, support to caregivers of at-risk children, safety audits, inter-sectoral assessments, complaints mechanisms, and dignity kits (including torches) for persons at high risk of GBV, and mainstreaming across clusters.

<sup>3</sup> Targeted caseloads include: missing, unaccompanied, and separated children; children associated with armed forces and armed groups; survivors of GBV; persons at significant risk of GBV; persons in need of mental health/psychosocial support; persons with disabilities and the elderly

## WATER, SANITATION & HYGIENE

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Sustain access to water, sanitation and hygiene promotion services to the vulnerable population affected by conflict, disease outbreaks, acute malnutrition and floods.</b>	SO1 & 2	<p>Number of people (disaggregated by gender) with sustained access to safe water supply (15 litres/ person/day).</p> <p>Number of people (disaggregated by gender) with sustained access to improved sanitation &amp; environment (HH/Community Latrines).</p> <p>Number of people (disaggregated by gender) reached by Hygiene Promotion Messages.</p>	500,000	<p>500,000</p> <p>200,000</p> <p>500,000</p>
<b>2. Re-establish and improve access to water, sanitation and hygiene promotion services to the vulnerable population affected by conflict, disease outbreaks, acute malnutrition and floods.</b>	SO1 & 2	<p>Number of people (disaggregated by gender) reached with access to safe water supply (15 litres/ person/day) through re-establishment/rehabilitation/ construction of water points.</p> <p>Number of people (disaggregated by gender) provided access to improved Sanitation through re-establishment/ rehabilitation/ construction of sanitation facilities (HH/Community Latrines).</p> <p>Number of people(disaggregated by gender) reached with hygiene education messages and awareness raised.</p>	4,269,620	<p>1,800,000</p> <p>800,000</p> <p>2,370,458</p>
<b>3. Enhance emergency WASH capacities of local communities, authorities and partners.</b>	SO2 & 3	<p>Number of community members (disaggregated by gender) trained on emergency water, sanitation and hygiene subjects.</p> <p>Number of sector staff (disaggregated by gender) trained on emergency water, sanitation and hygiene subjects.</p> <p>Number of training sessions conducted.</p>	<p>10,000</p> <p>2,500</p> <p>5,000</p>	<p>1,000</p> <p>500</p> <p>1,000</p>

## COORDINATION AND COMMON SERVICES

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS
<b>1. Ensure optimally principled, efficient, effective and prioritized life-saving humanitarian response</b>	SO1	<p>% of humanitarian partners satisfied with OCHA-supported coordination mechanisms, including in deep field locations.</p> <p>% of NGO Forum members indicating satisfaction with support to common NGO policy and advocacy initiatives.</p> <p>% of humanitarian response plan-mobilized resources allocated to quality gender responsive projects.</p> <p>% of pooled fund disbursements to top priorities as identified in the HRP.</p> <p>% of HCT and ICWG action points followed-up (at both capital and field-level).</p> <p># of multi-sectoral assessments undertaken to inform prioritized humanitarian response.</p>
<b>2. Enable humanitarian to deliver despite the challenges</b>	SO1 & 3	<p>% of NGO Forum members indicating satisfaction with security information sharing and coordination functions</p> <p># of hard-to-reach/volatile locations for which security risk assessments are completed.</p> <p># of humanitarian partners benefiting from Light-Base Camps in deep field locations.</p> <p># of multi-hazard contingency plans (at capital and sub-national level) prepared and revised every six months.</p> <p># of relocations or medical evacuations conducted as needed.</p>
<b>3. Increase accountability to affected people</b>	SO2	<p># of people reporting increase in satisfaction with humanitarian services through pilot complaints mechanism.</p> <p># of affected communities inputting into the HNO / HRP.</p>

 LOGISTICS

SECTOR OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS
<b>1. Provide logistics coordination, support and technical advisory services to the humanitarian community carrying out the emergency response.</b>	SO1	# of organizations utilizing logistics and coordination services. # of information products shared with partners. Annual performance survey for Logistics Cluster and UNHAS by National and International users.
<b>2. Provide logistics, cargo and passenger air services to the humanitarian community to address the needs of the affected population.</b>	SO1	# of SRFs executed per month. Amount of storage space made available (m2). # of passengers transported per month. Amount of light cargo transported by UNHAS per month. # of humanitarian medical evacuations per month.
<b>3. Provision of infrastructure works to ensure humanitarian community is able to access affected populations.</b>	SO1	% of infrastructure works completed as tasked by the Logistics Cluster.

 REFUGEE RESPONSE

REFUGEE RESPONSE PLAN OBJECTIVE	PRIMARY STRATEGIC OBJECTIVE CONTRIBUTED TO	INDICATORS	PEOPLE IN NEED	PEOPLE TARGETED
<b>1. Ensure adequate access to life-saving, basic services and assistance for refugees and asylum seekers in South Sudan.</b>	SO1	Percentage of refugees receiving multi-sectorial life-saving and basic assistance in camp and outside camp settings.	302,809	302,809
<b>2. Ensure effective protection of refugees and asylum seekers in South Sudan, with a specific attention to the most vulnerable.</b>	SO2	Percentage of refugees having access to protection services and interventions.	302,809	302,809
<b>3. Continue to improve coping capacities of refugees and host communities.</b>	SO3	Percentage of households participating in activities to promote productive coping capacities.	302,809	75,000
